

**RESOLUTION
BOARD OF DIRECTORS
FOR THE
COALITION TO RESTORE COASTAL LOUISIANA**

WHEREAS, the Coalition to Restore Coastal Louisiana's mission is to mobilize action to ensure the sustainability and stewardship of the coastal wetlands, waters and barrier shorelines of coastal Louisiana;

WHEREAS, the Lake Pontchartrain Basin Foundation is the public's independent voice dedicated to restoring and preserving the Lake Pontchartrain Basin through coordination of restoration activities, education, advocacy, monitoring of the regulatory process, and citizen action;

WHEREAS, the Board of Directors for the Coalition to Restore Coastal Louisiana assembled in a meeting this **Fourth day of February, 2006** and agreed to endorse the concept and process of the Pontchartrain Coastal Lines of Defense Program;

THEREFORE BE IT RESOLVED that the Coalition endorses in principle the multiple lines of defense strategy that integrates natural and engineered ecological features in the overall coastal restoration flood protection effort.

Approved this 20th day of February, 2006.
